

ORDINANCE NO. 18-009

**AMENDMENT TO SECTION 46-500 OF CHAPTER 46, OF THE ADRIAN CODE,
ENTITLED “COMMERCIAL MEDICAL MARIHUANA FACILITIES”**

ARTICLE XI. - COMMERCIAL MEDICAL MARIHUANA FACILITIES DIVISION 1. –
GENERALLY Sec. 46-500. - Legislative intent.

The purpose of this article is to implement the provisions of the Michigan Marihuana Facilities Licensing Act, Public Act 281 of 2016, which authorizes the licensing and regulation of commercial medical marihuana facilities; affords the City the option to allow commercial medical marihuana facilities; and the authority to regulate commercial medical marihuana facilities by requiring a permit and compliance with requirements as provided in this article, in order to maintain the public health, safety and welfare of the public.

Nothing in this article is intended to grant immunity from criminal or civil prosecution, penalty, or sanction for the cultivation, manufacture, possession, use, sale, or distribution of marihuana, in any form, that is not in compliance with the Michigan Medical Marihuana Act, Initiated Law of 2008, MCL 333.26421 et seq.; the Michigan Medical Marihuana Facilities Licensing Act, MCL 333.27101 et seq.; the Michigan Marihuana Tracking Act, MCL 333.27901 et seq.; and all other applicable rules promulgated by the state of Michigan.

As of the effective date of this article, marihuana remains classified as a Schedule 1 controlled substance under the federal Controlled Substances Act, 21 U.S.C. § 801 et seq., which makes it unlawful to manufacture, distribute, or dispense marihuana, or possess marihuana with the intent to manufacture, distribute, or dispense marihuana. Nothing in this article is intended to grant immunity from any criminal prosecution under federal laws.

(Ord. No. 17-035, 12-13-2017)

Sec. 46-501. - Definitions.

For the purpose of this article the following words, terms, and phrases shall have the meanings ascribed to them in this section, except when the context clearly indicates a different meaning.

Any term defined by the Michigan Medical Marihuana Act. MCL 33.2621 et seq., shall have the definition given in the Michigan Medical Marihuana Act.

Any term defined by the Michigan Medical Marihuana Facilities Licensing Act. MCL 33.27101 et seq., shall have the definition given in the Michigan Medical Marihuana Facilities Licensing Act.

Any term defined by the Michigan Medical Marihuana Tracking Act. MCL 33.27901 et seq., shall have the definition given in the Michigan Medical Marihuana Tracking Act.

City means the City of Adrian.

Department means the Michigan State Department of Licensing and Regulatory Affairs or any authorized designated Michigan agency authorized to regulate, issue or administer a Michigan license for a commercial medical marihuana facility.

Enclosed Building means a combination of materials forming a structure affording a facility or shelter for use or occupancy by individuals or property in which a proper ventilation system allows for all windows, entrances, and exits may safely remain closed, with the exceptions of normal entry and exit of the building for business purposes, and safety or emergency purposes i.e. Fire. Building includes a part or parts of the building and all equipment in the building. A building shall not be construed to mean a building incidental to the use for agricultural purposes of the land on which the building is located.

Grower or grower facility means a commercial entity that cultivates, dries, trims, or cures and packages marihuana for sale to a processor or provisioning center. Grower facilities are divided into classes: Class A facility -- up to 500 plants; a Class B facility -- up to 1,000 plants; and Class C facility -- up to 1,500 plants.

License means a current, valid license for a commercial medical marihuana facility issued by the State of Michigan.

Licensee means a person holding a current, valid Michigan license for a commercial medical marihuana facility.

Marihuana means that term as defined in section 7106 of the public health code, 1978 PA 368, MCL 333.7106.

Marihuana plant(s)" means any plant of the species *Cannabis sativa* L.

Medical Marihuana means that term as defined in the Public Health Code, MCL 33.1101 et seq.; the Michigan Medical Marihuana Act, MCL 333.26421 et seq.; the Michigan Medical Marihuana Facilities Licensing Act, MCL 333.27101 et seq.; and the Michigan Medical Marihuana Tracking Act, MCL 333.27901 et seq.

Medical marihuana facility(s) means any facility, establishment and/or center at a specific location which is licensed under this chapter to operate under the Michigan Medical Marihuana Facilities Licensing Act, MCL 333.27101 et seq., including a provisioning center, grower, processor, safety compliance facility, and secure transporter. The term does not include or apply to a "primary caregiver" or "caregiver" as the term is defined in the Michigan Medical Marihuana Act, MCL 333.26421 et seq.

Permit means a current, valid permit for a commercial medical marihuana facility issued pursuant to this article, granted to a permit holder valid for a specific permitted premises and a specific permitted property.

Permit holder means the person that holds a current, valid permit under this article.

Permitted premises means the particular building or buildings within which the permit holder will be authorized to conduct the facility's activities pursuant to the permit.

Permitted property means the real property comprised of the lot, parcel or other designated unit of real property upon which the permitted premises is situated.

Person means a natural person, company, partnership, profit or non-profit corporation, limited liability company, or any joint venture for a common purpose.

Processor or *processor facility* means a commercial entity that purchases marihuana from a grower and that extracts resin from the marihuana or creates a marihuana-infused product for sale and transfer in packaged form to a provisioning center.

Provisioning center means a commercial entity that purchases marihuana from a grower or processor and sells, supplies, or provides marihuana to registered qualifying patients, directly or through the patients' registered primary caregivers. Provisioning center includes any commercial property where marihuana is sold at retail to registered qualifying patients or registered primary caregivers. The term does not include or apply to a non-commercial location used by a primary caregiver to assist a qualifying patient connected to the caregiver through the department's marihuana registration process in accordance with the MMMA.

Safety compliance facility means a commercial entity that receives marihuana from a medical marihuana facility or registered primary caregiver, tests it for contaminants and for tetrahydrocannabinol and other cannabinoids, returns the test results, and may return the marihuana to the medical marihuana facility.

School (as defined in MCL 257.627a) means an educational institution operated by a local school district or by a private, denominational, or parochial organization. School does not include either of the following:

- (i) An educational institution that the department of education determines has its entire student population in residence at the institution.
- (ii) An educational institution to which all students are transported in motor vehicles.

Secure transporter means a commercial entity that stores medical marihuana and transports medical marihuana between medical marihuana facilities for a fee.

(Ord. No. 17-035, 12-13-2017)

DIVISION 2. - PERMITS

Sec. 46-502. - Required.

- (a) No person shall operate a commercial medical marihuana facility in the City of Adrian without first obtaining a permit from the city clerk.
- (b) The issuance of any permit or renewal permit pursuant to this chapter shall not confer any vested rights or reasonable expectation of subsequent renewal on the applicant or permit holder and shall remain valid only for one year immediately following its approval.
- (c) A completed application for renewal permit must be received by the city clerk no later than 90 days prior to the expiration of the current permit. Pending applications for annual renewal or amendment of existing permits shall be reviewed, and granted or denied by the city clerk prior to new permit application being considered.

- (d) No permit issued under this section may be transferred or assigned and no license is valid for any location other than the location specified in the license.
- (e) A permit holder must submit to the City a copy of their valid state license within 180 days of issuance of the permit under this article. Failure to provide such proof will result in revocation or suspension of the permit.
- (f) If a permit holder has not obtained a valid state license at the end of 180 days, they may request an extension of time from the city clerk.
- (g) If the facility is a new build and construction or licensing is not complete after 180 days, the permit holder may request, from the city clerk, an extension of time to obtain the state license.
- (h) The city clerk may require additional/supplemental information to confirm the reasons for delay. Extension(s) will be granted or denied at the discretion of the city.

(Ord. No. 17-035, 12-13-2017)

Sec. 46-503. - Commercial medical marihuana facilities authorized to operate in the city.

- (a) Growers, Class A, B and C.
- (b) Processors.
- (c) Provisioning centers.
- (d) Safety compliance facilities.
- (e) Secure transporters.

(Ord. No. 17-035, 12-13-2017)

Sec. 46-504. - Number of facilities authorized by city.

- (a) Growers:
 - Class A: unlimited
 - Class B: unlimited
 - Class C: unlimited
- (b) Processors: unlimited
- (c) Provisioning centers: Ten permits in the B-1 and B-2 districts combined, unlimited in the Industrial overlay district.
- (d) Safety compliance facilities: unlimited
- (e) Secure transporters: unlimited

(Ord. No. 17-035, 12-13-2017)

Sec. 46-505 - Requirements and procedure for application

No person shall operate a marihuana facility in the city of Adrian without a current, valid marihuana facility permit issued by the City pursuant to the provisions of this article. The permit requirements set forth in this chapter shall be in addition to, not in lieu of any other licensing and/or permitting requirements imposed by any other federal, state, or local law. Applications for permits shall be made annually on forms provided by the city clerk and must meet the following requirements:

- (a) Every applicant for a medical marihuana facility permit shall complete and file the application form provided by in the city clerk's office. Any application missing information in any *required field* will be deemed incomplete and is subject to denial of the permit by the city clerk. Each question in the application must be answered in its entirety and all the information requested and required by this article must be submitted in the application. Failure to comply with these rules and the application requirements in the article is grounds for denial of the application. The application shall contain any information required by the Medical Marihuana Facilities Licensing Act, MCL 333.27101 et seq., and the following information:
 - (1) Name, address, and telephone number of the owner(s) of all real property where the facility is located.
 - (2) Name, address, and telephone number of the of the proposed permit holder.
 - (3) If the property owner and the proposed permit holder are not the same person, all documentation showing the proposed permit holder's valid tenancy, ownership or other legal interest in the proposed permitted property and permitted premises.
 - (4) If the proposed permit holder is not the owner of the property, a notarized statement from the owner of such property authorizing the use of the property for commercial medical marihuana facility.
 - (5) A copy of a valid unexpired driver's license or state ID for the proposed permit holder. Acceptable ID will be issued by the state in accordance with the Medical Marihuana Facilities Licensing Act, MCL 333.27101 et seq.
 - (6) If the proposed permit holder is a corporation, non-profit organization, limited liability company or any other entity other than a natural person it must state its legal status, attach a copy of all company formation documents (including amendments), proof of registration with the State of Michigan and a certificate of good standing along with the articles, resolutions and by-laws/operating agreements, and a copy of a valid unexpired driver's license or state issued ID for all owners, directors, officers and managers of the entity .
 - (7) A signed release shall be provided, on a form included with the application, permitting the City of Adrian police department to perform a criminal background check to ascertain whether any person named on the application has been convicted of any felony or any controlled-substance-related misdemeanor under Michigan law or the law of any other state or the United States.
 - (8) A signed acknowledgement that the applicant is aware and understands that all matters related to marihuana, growing, cultivation, possession, dispensing, testing, safety compliance, transporting, distribution, and use are currently subject to state

laws, rules and regulations, and that the approval or granting of a permit hereunder does not exonerate or exculpate the applicant from abiding by the provisions and requirements and penalties associated with those laws, rules and regulations or exposure to any penalties associated therewith; and further the applicant waives and forever releases any claim demand, action, legal redress or recourse against the City of Adrian, its elected and appointed officials and its employees and agents for any claims, damages, liabilities, causes of action, and attorney fees that applicant may incur as a result of a violation by applicant, its officials, members, partners, shareholders, employees and agents, of those laws, rules and regulations and hereby waives and assumes the risk of any such claims and damages and lack of recourse against the City of Adrian, its elected and appointed officials, employees, attorneys, and agents.

- (9) A signed acknowledgement that all cultivation must be performed in an enclosed building.
- (10) An affidavit that the applicant is not in default to the city. Specifically, that the applicant has not failed to pay any property taxes, special assessments, fines, fees or other financial obligation to the city.
- (11) Proof of a surety bond in the amount of \$100,000.00 with the city listed as the obligee to guarantee the performance by applicant of the terms, conditions and obligations of this article or in the alternative applicant can create an escrow account for the benefit of the city at a city-approved financial institution in the amount of \$20,000.00.
- (12) Any other information deemed by the City to be required for consideration of a permit.

Sec. 46.506 Issuance or Denial of permit.

- (a) Upon submission of an applicant's completed application, including all required information and documentation, the city clerk shall accept the application and assign it a sequential number by facility type based on the date and time the application was accepted.
- (b) Within 60 days of receipt of a complete application and all required fees, all inspections, review and processing of the application shall be completed, and the city clerk shall approve or deny the marihuana facility permit. The city clerk shall issue marihuana facility permits in order of sequential application number previously assigned.
- (c) A provisional permit means only that the applicant has submitted a valid application for a marihuana facility permit, and that the applicant shall not locate or operate a marijuana facility without obtaining all other permits and approvals required by all other applicable ordinances and regulations of the city, as well as, all statutes and regulations of the state of Michigan including but not limited to the Public Health Code, MCL 33.1101 et seq.; the Michigan Medical Marihuana Act, MCL 333.26421 et seq.; the Michigan Medical Marihuana Facilities Licensing Act, MCL 333.27101 et seq.; and the Michigan Medical Marihuana Tracking Act, MCL 333.27901 et seq.

- (d) The city clerk shall *not* issue a permit until *all* of the following conditions have been met:
- (1) The fire department and building department have inspected the proposed location for compliance with all laws for which they are charged with enforcement and for compliance with this article
 - (2) The zoning administrator has confirmed that the proposed location complies with the zoning code and issues a zoning compliance permit.
 - (3) The city treasurer has confirmed that the applicant and the proposed location are not in default to the city.
 - (4) The police department has determined that the applicant has met the requirements of this chapter with respect to the background check and security plan
- (e) If approved the city clerk shall issue the applicant a provisional permit or renew an annual permit.
- (f) A provisional permit will lapse and be void if such other required permits, valid state licensing, and approvals are not diligently pursued to completion, but in any event no later than 120 days after the provisional permit is issued.
- (g) A signed acknowledgement of permit holder's intent to acquire and maintain a valid marihuana facility license from the state of Michigan is a condition for issuance and maintenance of a marihuana facility permit under this article. In the event of a lapse in the state issued medical marihuana facility license, for any reason, the applicant may not continue operation of any marihuana facility in the city of Adrian, unless and until a valid state license is reinstated or obtained.
- (h) Any applicant for a commercial medical marihuana facility permit whose building is not yet in existence at the time of city commission approval shall have one year immediately following the date of approval to complete construction of the building, in accordance with applicable zoning ordinances, building codes and other applicable state or local laws, rules or regulations, and to commence business operations.
- (i) The City Commission shall approve or deny a permit within one hundred twenty (120) days of receipt of the completed application and fees. The processing time may be extended upon written notice by the City for good cause, and any failure to meet the required processing time shall not result in the automatic grant of the permit. The City has no obligation to process or approve any incomplete Application, and any times provided under this Ordinance shall not begin to run until the City receives a completed Application, as determined by the City Clerk. A determination of a complete Application shall not prohibit the City from requiring supplemental information. The City may delay an application while additional information is requested including, but not limited to, requests for additional disclosures and documentation to be furnished to the department.
- (j) If more qualified applications are received than the number of permits allowed for provisioning center in B-1 and B-2 districts under this article, the City Commission may review and amend this ordinance as it determines advisable.

(k) If applicant fails to comply with this article, a permit may be denied as provided under this article. In addition to failing to comply with this article, a permit may be denied for the following reasons:

- (1) The applicant made a material misrepresentation on the application
- (2) The applicant fails to correct any deficiencies in the application or supply additional required information.
- (3) The applicant fails to satisfy compliance with the municipality, state law, or this ordinance.
- (4) The applicant is operating a medical marihuana facility without a current, valid permit.

Any denial of a provisional permit shall be in writing and shall state the reason for the denial.

- (l) Denial of a permit by the city clerk may be may be appealed to the City Commission. Denial of permit by the City Commission may be appealed to the Circuit Court of this State.

(Ord. No. 17-035, 12-13-2017)

Sec. 46-507. - Conduct of permit holder.

- (a) Each permit holder shall, as a condition of obtaining and maintaining a permit, agree to comply at all times with applicable local and state building, zoning, fire, health and sanitation statutes, ordinances and regulations.
- (b) The premises shall be operated and maintained at all times consistent with responsible business practices and so that no excessive demands will be placed upon public health or safety services, nor any excessive risk of harm to the public health, safety or sanitation.
- (c) Permit holder shall immediately notify the city clerk and update as required the information provided on the application and the permit. Further, the permit holder shall notify the city clerk of any other changes that may materially affect the state license or the permit.
- (d) An applicant or permit holder has a duty to notify the city clerk in writing of any pending criminal charge, and any criminal conviction or other offense, including but not limited to, Michigan Medical Marihuana Act (MCL 333.26421 et seq.) violations, Medical Marihuana Facilities Licensing Act (MCL 333.27101 et seq.) violations, building, fire, zoning violations by the applicant, permit holder, any owner, principal, officer, director, manager or employee relating to the cultivation, processing, manufacture, storage, sale, distribution, testing or consumption of any form of marihuana within ten days of the event.
- (e) The permit holder may not operate any other commercial medical marihuana facility in the permitted premises or on the permitted property, or in its name at any other location within the city without first obtaining a separate permit.
- (f) The permit holder may not transfer the permit to any other individual or entity.

(g) Failure to comply with the requirements contained in this section is a civil infraction.

(Ord. No. 17-035, 12-13-2017)

Sec. 46-508. - Operational requirements.

A commercial medical marihuana facility issued a permit under this article and operating in the city shall at all times comply with the following operational requirements, which the city commission may review and amend from time to time as it determines reasonable.

- (1) Commercial medical marihuana facilities shall comply with the zoning code, the building code, and the property maintenance code at all times.
- (2) The facility must hold a valid local permit and state medical marihuana facility license for the type of commercial medical marihuana facility carried out at the permitted property.
- (3) Each commercial medical marihuana facility shall be operated from the permitted premises on the permitted property. No commercial medical marihuana facility shall be permitted to operate from a moveable, mobile or transitory location, except for a permitted and licensed secure transporter when engaged in the lawful transport of marihuana.
- (4) No person under the age of 18 shall be permitted to enter into the permitted premises without a parent or legal guardian.
- (5) Medical marihuana facilities shall be closed for business and no sale or other distribution of marihuana in any form shall occur upon the premises or be delivered from the premises between the hours of 9:00 p.m. and 7:00 a.m.
- (6) Permit holders shall at all times maintain a security system that meets state law requirements, and shall also include:
 - a. Security surveillance cameras installed to monitor all entrances, along with the interior and exterior of the permitted premises;
 - b. Burglary alarm systems which are professionally monitored and operated 24 hours a day, seven days a week;
 - c. A locking safe permanently affixed to the permitted premises that shall store all marihuana and cash remaining at the facility overnight;
 - d. All marihuana in whatever form stored at the permitted premises shall be kept in a secure manner and shall not be visible from outside the permitted premises, nor shall it be grown, processed, exchanged, displayed or dispensed outside the permitted premises;
 - e. All security recordings and documentation shall be preserved for at least 48 hours by the permit holder and made available to law enforcement upon request for inspection.
- (7) No commercial provisioning center shall be located within 1000 feet of any of the following uses:

a. a school, public or private, including pre-school through college

or within 250 feet of any of the following uses:

- a. a church or house of worship located in a residential district
- b. a park or playground
- c. a state licensed day-care facility as defined in the City of Adrian Zoning Ordinance, definition(s) 2.46
- d. a facility that provides substances abuse disorder services as defined by MCL 330.6230S

- (8) The amount of marihuana on the permitted property and under the control of the permit holder, owner or operator of the facility shall not exceed the amount permitted by the state license.
- (9) The marihuana offered for sale and distribution must be packaged and labeled in accordance with state law. Provisioning centers are prohibited from selling, soliciting or receiving orders for marihuana or marihuana products over the internet.
- (10) No pictures, photographs, drawings, or other depictions of marihuana or marihuana paraphernalia shall appear on the outside of any permitted premises nor be visible outside of the permitted premises on the permitted property. The words "marihuana," "cannabis" and any other words used or intended to convey the presence or availability of marihuana shall not appear on the outside of the permitted premises nor be visible outside of the permitted premises on the permitted property.
- (11) The sale, consumption, or use of alcohol or tobacco products on the permitted premises is prohibited. Smoking or consumption of controlled substances, including marihuana, on the permitted premises is prohibited.
- (12) All activities of commercial medical marihuana facilities, including without limitation, distribution, growth, cultivation, or the sale of marihuana, and all other related activity permitted under the permit holder's license or permit must occur indoors. The facility's operation and design shall minimize any impact to adjacent uses, including the control of any odor by maintaining and operating an air filtration system so that no odor is detectable outside the permitted premises.
- (13) A patient may not grow his or her own marihuana at a commercial medical marihuana facility.
- (14) No person operating a facility shall provide or otherwise make available marihuana to any person who is not legally authorized to receive marihuana under state law.
- (15) All necessary building, electrical, plumbing and mechanical permits must be obtained for any part of the permitted premises in which electrical, wiring, lighting or watering devices that support the cultivation, growing, harvesting or testing of marijuana are located.
- (16) The permit holder, owner and operator of the facility shall use lawful methods in controlling waste or by-products from any activities allowed under the license or permit.
- (17) Marihuana may be transported by a secure transporter within the city under this article, and to effectuate its purpose, only:

- a. By persons who are otherwise authorized by state law to possess marihuana for medical purposes;
- b. In a manner consistent with all applicable state laws and rules, as amended;
- c. In a secure manner designed to prevent the loss of the marihuana;
- d. No vehicle used for transportation or delivery of marihuana under this article shall have for markings the words "marihuana," "cannabis," or any similar words; pictures or other renderings of the marihuana plant; advertisements for marihuana or for its sale, transfer, cultivation, delivery, transportation or manufacture, or any other word, phrase or symbol indicating or tending to indicate that the vehicle is transporting marihuana.
- e. No vehicle may be used for the ongoing or continuous storage of marihuana, but may only be used incidental to, and in furtherance of, the transportation of marihuana.

(18) The city commission may impose such reasonable terms and conditions on a commercial medical marihuana facility special use as may be necessary to protect the public health, safety and welfare, and to obtain compliance with the requirements of this article and applicable law.

(19) No facility shall be operated in a manner creating noise, dust, vibration, glare, fumes, or odors beyond the boundaries of the property on which the facility is operated; or creating any other nuisance that hinders the public health, safety and welfare of the residents of the City of Adrian.

(Ord. No. 17-035, 12-13-2017)

Sec. 46-509. - Effective permit; suspension; daily violation.

- (a) A permit is valid only for the location identified on the permit and cannot be transferred to another location in the city without a new application.
- (b) A permit is valid for one year from the date of issuance.
- (c) The permit shall be prominently displayed at the permitted premises in a location where it can be easily viewed by the public, law enforcement and administrative authorities.
- (d) Acceptance by the permit holder of the permit constitutes consent by the permit holder and its owners, officers, managers, agents and employees for any state, federal or local law enforcement to conduct random and unannounced examinations of the facility and all articles of property in that facility at any time to ensure compliance with this article, any other local regulations and with the permit.
- (e) A permit does not prohibit prosecution by the federal government for violation of its laws or prosecution by state authorities for violations of the Act or other violations not protected by the Act.
- (f) Compliance with city ordinance and state statutes is a condition of maintenance of a permit and a permit may be suspended for failure to comply with any of the provisions of this section.

- (g) Suspension of a permit is not an exclusive remedy and nothing contained herein is intended to limit the city's ability to prosecute code violations that may have been the cause of the suspension or any other code violations not protected by this Act.
- (h) Violations of the provisions of this article or failure to comply with any of the requirements of this article is a civil infraction. The fine for this civil infraction is \$500.00 and abatement costs of each violation together with all remedies available under MCL 600.8701 et seq. Each day a violation continues shall be deemed a separate civil infraction.
- (i) Operating a medical marihuana facility without a valid permit or assisting in the operation of a medical marihuana facility without a valid permit for that property is a civil infraction. The fine for this civil infraction shall be \$500.00. Each day that a person shall operate a medical marihuana facility without a permit or assist in the operation of a medical marijuana facility without a valid permit in effect for that property shall constitute as a separate offense.
- (j) In addition to any other remedies, the city may institute proceedings for injunction, mandamus, abatement or other appropriate remedies to prevent, enjoin, abate or remove any violations of this article. The rights and remedies provided herein are civil in nature. The imposition of a fine shall not exempt the violator from compliance with the provisions of this article.

(Ord. No. 17-035, 12-13-2017)

Sec. 46-510. - Fees for licenses.

The fees for the permit herein defined shall be set by resolution of the city commission. The fee shall defray the costs incurred by the city for inspection, administration and enforcement of this article and shall not exceed any limitations imposed by Michigan law.

(Ord. No. 17-035, 12-13-2017)

Sec. 46-511. - Severability.

The provisions of this article are hereby declared severable. If any part of this article is declared invalid for any reason by a court of competent jurisdiction, that declaration does not affect or impair the validity of all other provisions that are not subject to that declaration.

(Ord. No. 17-035, 12-13-2017)
