An incomplete application that is returned by the clerk shall not be deemed submitted and shall not have precedence of consideration over any other application.

(f) Upon determining that an application is complete, the clerk shall assign a number to it, based on the order in which it was received. Other applications, if any, may be received, but they shall be reviewed for completeness only in the order received, and, if complete, shall be considered for approval of a permit only in the order received, and only if a permit for the same type of marijuana facility is then available.

(h) If the application is approved, the clerk shall issue a marijuana facility permit to the applicant on a Township permit form for such purpose, after the applicant has paid the marijuana facility fee for the one-year duration of the permit. If the applicant has not paid the facility fee within 10 days after written notice that the application has been approved, the application shall no longer be approved and the applicant shall be notified in writing accordingly. The written decision on the appeal, whether by motion or resolution, shall be forwarded to the applicant.

(i) The permit shall be for a period not longer than one year.

(j) The permit shall be renewable annually. A permit holder desiring renewal shall apply for the same by completing a Township form for such purpose, shall pay any required renewal fee and shall make any required escrow deposit for reimbursement of Township expenses in the matter.

(i) With the renewal application, the applicant shall submit either a revised site plan, if any of the elements of the previously submitted site plan have changed, or otherwise the applicant shall submit a statement that the previous site plan remains accurate as to the matters depicted therein.

(ii) The clerk shall consider the renewal application in the same manner and under the same requirements as for an original application, except that in considering the renewal, the clerk may consider any violations on the part of the applicant during the previous period of the permit.

(iii) The clerk shall approve the renewal application, reject it or approve it with conditions. If approved, a new permit, for a period of one year, shall be issued to the applicant. If rejected, the clerk shall state the grounds thereof in a letter to the applicant. Any such rejection shall be appealable to the Township Board.

(iv) Upon receiving a renewed permit, the applicant shall pay to the Township the annual marijuana facility fee. The renewed permit shall not be valid until the fee is paid.

Neither the clerk nor other Township official or employee shall disclose any such information in response to a Freedom of Information Act request. All papers and other materials received from an applicant, prepared by the Township or other materials, including e-mails and other electronic-based materials, shall be filed separately from other Township files.

Section 11. Annual Marijuana Facility Fee. There is hereby established an annual nonrefundable Township marijuana facility fee (the "facility fee") in the amount of \$5,000, for each permitted marijuana facility. Timely payment of the fee is a condition of the marijuana facility permit.

Section 12. Violations and Penalties.

(a) A violation of this ordinance is a municipal civil infraction, for which the fines shall be not less than \$250 for the first violation and not less than \$500 for a subsequent violation, and in addition to all other costs and expenses provided by law. For purposes of this Section, a subsequent offense means a violation of the provisions of this ordinance committed by the same person within six months of a previous violation of the same provision for which the person admitted responsibility or was determined to be responsible.

(b) Each day during which any violation continues shall be deemed a separate offense.

(c) In addition, the Township may seek injunctive relief against persons alleged to be in violation of this ordinance, and such other relief as may be provided by law.

(d) The Township ordinance enforcement officer is authorized to issue municipal civil infraction citations for any violation of a provision of this ordinance if the officer has reasonable cause to believe that an infraction has occurred, based upon personal observation or on the report of a person who has allegedly witnessed the infraction.

(e) If a citation is based solely on the complaint of a person who allegedly witnessed the violation, and not upon the personal observation of the enforcement officer, then the citation shall be approved in writing by the Township supervisor and the Township attorney.

(f) Citations shall be numbered consecutively and shall be in a form approved by the State Court Administrator's Office.

(g) Citations shall be served on the alleged violator as provided by law.

(h) Citations shall require an appearance at the district court within a reasonable time after the citation has been issued.

(i) The procedures for the admission or denial of responsibility, request for informal or formal hearings and all other matters relating to processing of citations for civil infractions shall be as provided by law.

Section 13. Revocation of Permit.

(a) A marijuana facility permit may be revoked by the clerk for noncompliance with Act 281, other applicable state laws, this ordinance, the zoning ordinance or other applicable Township ordinances. Such revocation shall be in addition to the available remedies under Section 12.

(b) The clerk shall give written notice to the permit holder of the clerk's intent to revoke the permit. The notice shall state the reasons for the proposed revocation. The notice shall state that the applicant may attend a hearing before the clerk, and may be heard, as to the revocation. At least 10 days' notice of the hearing shall be given; the notice shall state the date, time and place of the hearing. At or prior to the hearing, the applicant may submit written comments with respect to the proposed revocation.

(c) Following the hearing, the clerk may, in writing, revoke the permit, elect not to revoke the permit or may impose additional terms and conditions in the permit for the purpose of gaining compliance as to the matters for which revocation was considered.

(d) The revocation of a permit shall not entitle the permit holder to any refund of the annual marijuana facility fee or other fees or charges paid under the terms of this ordinance; any unused escrow deposit amounts shall be returned.

(e) A permit holder may appeal the revocation of a permit to the Township Board, by filing a written appeal with the clerk within 10 days after the clerk has issued the written revocation, but there shall be no appeal after such period of time. The hearing of the appeal and the notice thereof shall be carried out under the same procedures and with the same notice as is provided in this ordinance for an appeal of a denial of a marijuana facility application.

Section 14. Publication and Effective Date. This ordinance shall become effective 30 days after its publication or 30 days after the publication of a summary of its provisions in a local newspaper of general circulation in the Township.
