THE TOWNSHIP OF MASTODON IRON COUNTY, MICHIGAN

ORDAINS:

SECTION II - DEFINITIONS

Words used herein shall have the definitions as provided for in PA 281 of 2016, as may be amended.

SECTION III - AUTHORIZED MEDICAL MARIJUANA FACILITIES

[Note: A township is not required to state a specific number of authorizations for a type of facility. A township may choose to authorize an unlimited number of a type of facility. For example, "An unlimited number of grower(s) shall be authorized..."]

1. The following medical marijuana facilities may be authorized to operate within the Township by the holder of a state operating license, subject to compliance with PA 281 of 2016, as may be amended, the Rules promulgated thereunder and this ordinance:

a) Unlimited number of growers shall be authorized in the Township, which shall include all of the following Class A, Class B and Class C growers authorized in the Township:

1. Unlimited number of Class A growers (500 marijuana plants) may be authorized in the Township.
2. Unlimited number of Class B growers (1,000 marijuana plants) may be authorized in the Township.
3. Unlimited number of Class C growers (1,500 marijuana plants) may be authorized in the Township.

- b) Unlimited number of processors shall be authorized in the Township.
- c) Unlimited number of provisioning centers shall be authorized in the Township.
- d) Unlimited number of safety compliance facilities shall be authorized in the Township.
- e) Unlimited number of secure transporters shall be authorized in the Township.

2. On and after December 16, 2017, the Township shall accept applications for authorization to operate a medical marijuana facility within the Township. Application shall be made on a Township form and must be submitted to the Township Clerk and/or other designee of the Township Board (hereinafter referred to as "Clerk"). Once the Clerk receives a complete application including the initial annual medical marijuana facility fee, the application shall be time and date stamped. Complete applications shall be considered for authorization in consecutive time and date stamped order. Upon consideration, if the facility type authorization is available within the number specified above, then the applicant shall receive conditional authorization to operate such medical marijuana facility within the Township. Once the limit on the number of an authorized facility is conditionally reached, then any additional complete applications shall be held in consecutive time and date stamped order for future conditional authorization. Any applicant waiting for future conditional authorization may withdraw their submission by written notice to the Clerk at any time and receive refund of the initial annual medical marijuana fee submitted.

3. Within thirty days from conditional authorization from the Township or from December 15, 2017, whichever is later, the conditionally authorized applicant must submit proof to the Clerk that the applicant has applied for prequalification from the state for a state operating license or has submitted full application for such license. If the applicant fails to submit such proof, then such conditional authorization shall be canceled by the Clerk and the conditional authorization shall be available to the next applicant in consecutive time and date stamped order as provided for in Section III (2) herein.

4. If a conditionally authorized applicant is denied prequalification for a state operating license or is denied on full application for a state operating license, then such conditional authorization will be canceled by the Clerk and the conditional authorization shall be available to the next applicant in consecutive time and date stamped order as provided for in Section III (2) herein.

5. A conditionally authorized applicant shall receive full authorization from the Township to operate the medical marijuana facility within the Township upon the applicant providing to the Clerk proof that the applicant has received a state operating license for the medical marijuana facility in the Township and the applicant has met all other requirements of this ordinance for operation including but not limited to any zoning approval for the location of the facility within the Township.

6. If a conditionally authorized applicant fails to obtain full authorization from the Township within one year from the date of conditional authorization, then such conditional authorization shall be canceled by the Clerk and the conditional authorization shall be available to the next applicant in consecutive time and date stamped order as provided for in Section III (2) herein. The Township Board shall have authority to extend the deadline to obtain full authorization for up to an additional six months on written request of the applicant, within thirty days prior to cancellation, upon the reasonable discretion of the Township Board finding good cause for the extension.

**SECTION IV - GENERAL REGULATIONS REGARDING

2. Prior to operating an authorized medical marijuana facility within the Township pursuant to a state operating license, the facility must comply with all Township zoning ordinance regulations. The facility shall only be operated as long as it remains in compliance with all Township zoning ordinance regulations.
3. Prior to operating an authorized medical marijuana facility within the Township pursuant to a state operating license, the facility must comply with all Township construction and building ordinances, all other Township ordinances specifically regulating medical marijuana facilities, and generally applicable Township police power ordinances. Once such state operating license is revoked or fails to be renewed, the Clerk shall cancel the Township authorization and the authorization shall be available to the next applicant in consecutive time and date stamped order as provided for in Section III (2) herein.
6. It is hereby expressly declared that nothing in this ordinance be held or construed to give or grant to any authorized medical marijuana facility a vested right, license, privilege or permit to continued authorization from the Township for operations within the Township.
7. The Township expressly reserves the right to amend or repeal this ordinance in any way including but not limited to complete elimination of or reduction in the type and/or number of authorized medical marijuana facilities authorized to operate within the Township.

**SECTION V
ANNUAL MEDICAL MARIJUANA FACILITY FEE**

There is hereby established an annual nonrefundable Township medical marijuana facility fee in the amount of \$3,000.00, for each authorized medical marijuana facility within the Township, to help defray administrative and enforcement costs associated therewith. An initial annual medical marijuana facility fee of \$3,000.00 shall be payable at the time of application for Township authorization and thereafter the same amount shall be payable each year by the anniversary of the date of full Township authorization to operate the medical marijuana facility.

Additionally, the violator shall pay costs which may include all expenses, direct and indirect, which the Township incurs in connection with the municipal civil infraction.
3. Each day during which any violation continues shall be deemed a separate offense.
4. In addition, the Township may seek injunctive relief against persons alleged to be in violation of this ordinance, and such other relief as may be provided by law.
5. This ordinance shall be administered and enforced by the Ordinance Enforcement Officer of the Township or by such other person (s) as designated by the Township Board from time to time.

The provisions of this ordinance are hereby declared to be severable. If any clause, sentence, word, section or provision is hereafter declared void or unenforceable for any reason by a court of competent jurisdiction, it shall not affect the remainder of such ordinance which shall continue in full force and effect. The provisions herein shall be construed as not interfering or conflicting with the statutory regulations for licensing medical marijuana facilities pursuant to PA 281 of 2016, as may be amended.
